E³ Teacher Grant Program

ENRICHMENT FUNDS: innovative programs offering creative opportunities and ideas in the classroom, across grade levels, throughout an entire school, or district wide

ENHANCEMENT FUNDS: Materials and/or programs that support or expand adopted curriculum but are not funded by current district budget dollars

ESSENTIALS FUNDS: A basic request for materials not funded through district or school budget

In 2012, the Foundation officially launched our E³ Teacher Grant Program. Since that time, our sponsors have supported the fulfillment of over \$75,000 in teacher grant requests. These grants fund projects ranging from technology equipment to learning periodicals, which directly impact NLS122 students, district-wide.

E³ Grants fund programs, projects or materials which allow the staff to enhance, enrich, or provide learning essentials to students that foster creativity and innovation in the classroom.

E³ Grants are primarily funded through the sale of sponsorships, auction donations, teacher and staff payroll deductions, and our fundraising events, Principal for a Day and Brain Brawl Trivia Night.

Why Does NLS122 Need A Foundation?

In these difficult economic times, schools are struggling to maintain basic resources. The Foundation was established to raise funds that will keep innovation and creativity in the classroom. Through donations, the Foundation supports educational opportunities not provided through traditional school funding.

Through hard work, dedication and cooperation, the Foundation's Directors are driven to establish perpetual financial resources to provide impact for our students.

The Foundation looks forward to forging strong and supportive relationships with local residents and the business community, and obtaining financial resources that extends beyond our local community.

What is the Foundation?

The NLS122 Foundation is an Illinois 501(c)(3), not-for-profit corporation, which is tax exempt for educational purposes.

The Foundation's tax exempt status permits 100% tax-deductible donations. These donations will create perpetual financial resources for educational opportunities to NLS122 students, enhancing their educational experience and building their future.

How is the Foundation governed?

The NLS122 Foundation is autonomous from the New Lenox School District 122 Administration and the NLS122 Board of Education. It has a separate volunteer Board of Directors and Bylaws that dictate how the Foundation may conduct business. Principal Officers serve 2-year terms and Directors serve 3-year terms.

How is the Foundation different from the PTO?

NLS122 Foundation and the PTO have a separate focus and are governed differently. While the PTO strives to promote parent and teacher involvement in the schools, the Foundation is focused solely on generating financial resources for the school community which will provide enhanced educational opportunities for the students of NLS 122 not provided through traditional funding.

The Foundation will disburse monies for innovative classroom projects that meet specific criteria and are not funded by the School District or by the individual schools. Please consider making a financial donation. We welcome various levels of financial support and sponsorship.
