

NLSD122 Foundation Payroll Deduction Form

The NLSD122 Foundation would like to welcome everyone back for the 2015-16 school year. We hope that you had a wonderful summer break!

This school year marks the NLSD122 Foundation's 4th year supporting the school district's administrators, teachers and children. Our volunteer board members work diligently each year to raise money, through fundraising activities, to fund the E3 teacher grants you request from us. The grants we fund enrich students' learning through innovative program materials and/or activities, enhance programs already in existence, or provide essential materials to support learning in the classroom, grade-level, school, or throughout the District. Since 2012, the Foundation has funded approximately \$65,000 in grant requests. Plans are beginning for the Foundation's biggest fundraiser which is a trivia contest called Brain Brawl. We look forward to hosting a bigger event than last year's Brawl as we had to turn trivia teams away due to space limitations. **SAVE THE DATE OF FEBRUARY 19, 2016** for this fun, competitive event!

Because every dollar truly counts, the Foundation is asking district employees to participate in our automatic payroll deduction program. By donating \$1 or more per paycheck, you are helping to support the funds needed for grant requests approved in May, 2016 for the 2016/2017 school year. We are truly grateful to the NLSD122 employees who have chosen to donate in support of the students and each other. These generous gifts also demonstrate to the community that the educators support the Foundation's programs and may be the catalyst which results in sizeable donations from business donors. The Foundation is so glad that these donations and yours have led to the grant funding for requests which include but are not limited to 200 Apple TVs and "A World in Motion Science Engineering Kits" for all schools. If you would like to extend your support to the NLSD122 Foundation, please complete the form and send the completed form to the District Office, Attn: Payroll Department. Deductions will begin once this information is received from you.
